

PBRC-SPONSERED SUMMER 2015 STUDENT ACTIVITIES Cont'd

Prince Heto, SUA Graduate Student

ICPSR (Inter-university Consortium for Political and Social Research) Summer Program ~ Michigan, U.S.A.

This was a summer program that brought Social Scientists and future Social Scientist from all over the world to study quantitative methods in Social Science for four weeks. Although it was an intensive program there was a lot of opportunity to get to know the participants. No one in my program had heard about Soka University of America nor The Pacific Basin Research Center. So I had the privilege to tell them about both institutions, with some of my new friends expressing interest in visiting SUA one day.

Interested? The call for 2016 Summer Grant Proposals goes out in early Spring 2016. Please check our website at www.pbrc.soka.edu.

Plan ahead: Contact Associate Director, Dr. Shane Barter (sbarter@soka.edu), or Program Coordinator, Kayo Yoshikawa (kayoshikawa@soka.edu) with your questions.
